

Dominican Opinion at <http://www.opinion.dominicana.web.do> , is an online broadcaster, published and currently administered by the [Council for Sustainable Development and Promotion of the Dominican Republic, CONDESPI](#) ([Consejo para el Desarrollo Sostenible y Promoción de la República Dominicana, CONDESPI](#) , in Spanish).

Dominican Opinion is a mechanism for citizen participation and which along with several others such as the "Dominican Opinion Forum" and "Dominican Opinion Blogs" are part of the electronic media broadcasters issued for the same purpose before indicated, forming an essential part of the project and/or program implemented through ["Dominicana, A project of Country toward the Sustainable Development"](#) , to encourage and ensure a culture of responsible and permanent citizen participation in the Dominican Republic.

Dominican opinion seeks, always framed on the fundamental principle and objective of the [Council for Sustainable Development and Promotion of the Dominican Republic, CONDESPI](#) ([Consejo para el Desarrollo Sostenible y Promoción de la República Dominicana, CONDESPI](#) , in Spanish),

to "promote and achieve sustainable development, enhancing the Dominicanity and Promotion of our country, in the framework of a democratic, moral, ethical, fair, lawful and legithymus model, for mutual respect and global solidarity".

The Dominican Sustainable Tourism Organization, as part of this project and/or program, participates in the same by publishing his [Blog](#) and his [Forum](#) , which gives us the opportunity and provides us with the free and spontaneous integration of members of the tourism industry as well as users of tourist services interested in listening, expressing, analyzing or assessing, reflecting on points of views, opinions and/or options, as well as exchanging information and complaints, chatting, displaying, asking, discussing and debating on various topics. Blog and Forum are in Spanish language.
